

FESTIVAL OF PATTERN

- *Coasters using original vintage fabric from the 1950s and 1960s* •

Coasters are hand-made and each one is individual. Made of original vintage fabric they are secured in two different kinds of casings:

1. Acrylic (each coaster is 100mm x 100mm, with the insert size of 90 x 90mm.) The reverse side insert is black. Set of four coasters are presented in a gift box.

2. Glass with a black border (each coaster is 100mm x 100mm – the border is 12mm). Set of four coasters are presented in a gift box (as above).

Many designs can also be purchased as an individual unit. Due to the nature of the fabric not all designs are available in both acrylic and glass – each entry will say what casing is available.

As often the fabric is rare there may be only one set offered. Coasters can be cleaned using a damp cloth or a little spray of furniture polish.

Please email your order providing the code and quantity and postage to: festivalofpattern@gmail.com and I can provide an invoice and details of how to pay. For postage costs for multiple items and for outside the UK please email.
